Government Order No. G. 8139—G. M. 12-06-68, dated 27th June 1907, prescribing revised rules for recruitment to the Mysore Civil Service.

No. G. 3528-75—G. M. 232-12-1, DATED BANGALORE, 6TH JANUARY 1913.

ORDER THEREON.—His Highness the Maharaja has been pleased to revise the rules read above and issue them as appended to this order.

I. The following officers shall, subject to the proviso contained in Rule XV *infra*, constitute the Mysore Civil Service :—

Assistant Commissioners of the A and B Schedules, including all officers of that grade working in the Revenue, Excise, Police, Survey and Account Departments and in the General and Revenue Secretariat; Subordinate Judges; Deputy Secretary; Deputy Commissioners, District Judges, Registrar of Co-operative Societies, and General and Revenue Secretary.

II. All future admissions to the grade of Assistant Commissioners shall be only in one of two ways, *viz.*—

(1) into the A Schedule by success at a competitive examination of candidates approved by His Highness the Maharaja; and

(2) into the B schedule by special selection made by His Highness the Maharaja,—

(*a*) from members of the lower ranks of the Mysore Public Service who have rendered meritorious service and have shown themselves fit in every way for holding higher appointments and who have also qualified themselves by passing the prescribed examinations, or

(*b*) on considerations of family or special considerations of fitness or for maintaining the representative character of the service.

III. A competitive examination for admission to the grade of Assistant Commissioners shall be held in the year 1913 and once every two years thereafter until further orders. The subjects for examination, the dates on and the manner in which it is to be held, the proportion of marks required for passing, and the number of candidates to be selected for appointment on the results of the examination shall be duly notified ordinarily one year before the examination. Both in general character and range of subjects the competitive examination shall be similar to the examination for the ordinary B. A. Degree of the University of Madras, but the actual test shall be of a somewhat higher standard. It may include, in addition, subjects pertaining to Political Economy, Public Administration, Public Finance, etc., as may be specified from time to time.

IV. Candidates for the competitive examination must be natives of Mysore by birth or domicile, must not be over 25 years of age on the date of the examination and must have graduated in Arts in an Indian or other University. Candidates not so qualified by birth or domicile may, however, be admitted to the examination, provided they have graduated from one of the Mysore Colleges or have been selected by His Highness the Maharaja for special reasons.

NOTE.—A person acquires a domicile in Mysore when he has voluntarily fixed the habitation of himself and his family therein, not for mere special or temporary purpose but with the present intention of making it his permanent home. A continued residence for five years shall be *prima facie* evidence of having acquired a domicile.

V. Candidates who fulfil these conditions and who are desirous of competing, shall send in their names, with evidence of age and qualifications, and information as to their place of birth, caste, family, occupation and social status, evidence of domicile in Mysore and also with certificates of character and conduct, to the General and Revenue Secretary to Government not later than a date to be fixed which will be usually nine months before the time appointed for the examination. From these candidates a selection will be made by His Highness the Maharaja and the names of those selected shall be notified in the official gazette. Within a

month of such notification, the selected candidates shall present themselves before a Medical Board at a place and on a date to be notified by Government. It shall be an instruction to this Board to recommend for rejection all candidates not possessed of a good physique and constitution and not especially fitted for the active duties of an executive officer. The candidates finally approved by Government shall then be eligible for the examination.

VI. The number of candidates required, according to the exigencies of the service, shall be selected in order of merit from the list of candidates who have passed a satisfactory examination and admitted on probation to the grade of Assistant Commissioners as Civil Service Probationers.

VII. (1) The grade of Assistant Commissioners shall also be recruited, soon after the results of each Civil Service Examination are known, or at other appointed intervals, by the special selection of the requisite number of persons, according to vacancies, in the manner described in the second clause of Rule II; provided that no person shall be selected under Rule II (2) (*b*) unless he has passed the B.A. Degree of an Indian or other University.

(2) Nothing in clause (1) of this rule is intended to prevent temporary promotions to the grade of Assistant Commissioners from subordinate grades, in order to fill up existing vacancies; but an officer so promoted shall not, merely by reason of such promotion, be entitled to confirmation when permanent or temporary appointments are made under clause (1).

VIII. Persons admitted into the Mysore Civil Service by competition under Rule II (1) or nomination on family considerations or other considerations of fitness under Rule II (2) (*b*) will be under probation and training as specified below:—

(*a*) During the first two years after appointment they shall pass—

(i) an examination in riding;

(ii) departmental service examinations required according to the rules in force for the time being; and

(iii) such of them as have not taken Kannada as their optional language in a University or other recognized public examination, an examination in that language according to a prescribed standard.

A Probationer failing to pass the above tests by the end of the two years of probation may be allowed a further year's grace. Failing to pass in the third year his name will be removed from the list of Probationers.

During this period the Probationers will be trained in office work and other duties as far as may be practicable and will also receive a training in Treasury work, Revenue Survey and Elementary Engineering.

(*b*) (i) After the Probationers have passed the required examinations they will, at the discretion of Government, be appointed to the several departments of Government in accordance with the exigencies of service and individual aptitude and qualification, provided that Government may for sufficient reason at any time transfer an officer from one department to another.

(ii) Probationers intended for employment in the Accounts Department will, during the third year, be attached to the Comptroller's Office and trained in Civil and Public Works Accounts. In addition to practical training, they will be required to appear for and pass the Departmental Accounts Examinations which may be specified from time to time.

(iii) All other Probationers will, for a period of one year, be trained in the different branches of work in a taluk till they thoroughly understand the details of the work done and the duties performed by every official of the Revenue Department from the Amildar (or other officer of corresponding rank) downwards.

(iv) Probationers intended for employment in the Survey Department will, in addition to training as in (iii) above, be trained in the work of the department and will be required to pass the departmental examination in survey work.

A Probationer who does not give satisfaction during his course of training will be liable to have his confirmation deferred, or to be removed altogether from the service.

IX. (*a*) During the 1st two years of probation as laid down in Rule VIII (*a*) *supra* the Probationers will draw pay at Rs. 200 per mensem.

(*b*) During the third year of training as laid down in Rule VIII (*b*) *supra*, after passing the examinations, the Probationers will draw pay at Rs. 250 per mensem.

(*c*) On becoming fully qualified by passing all the prescribed examinations and going through the course of practical training with credit, a Probationer will be confirmed as Assistant Commissioner, 5th Class, on Rs. 250 and afterwards rise according to the scale given below :—

To Assistant Commissioner, 4th Class on Rs. 300.	After three years' approved service in the 5th Class.

X. XI. An Assistant Commissioner who has put in at least two years of approved service in the 1st Class shall, if a vacancy exists, be eligible for promotion to the class of Senior Assistant Commissioner, carrying a pay of Rs. 500 rising by annual increments of Rs. 50 to Rs. 600.
